### Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

My website (ChristopherCantwell.com) was defaced with terrorist propaganda and pornography last night. Including pro [REDACTED] material and bestiality.

The offending IP addresses were 36.38.141.196 and 206.189.198.44

This was carried out by individuals calling themselves the "Bowl Patrol" a [REDACTED] reference. In particular, one goes by the name of [REDACTED] (on Telegram) and the other calls himself "Mosin Nagant" an alias which I know is familiar to the FBI already.

[REDACTED] had an author's account on my website some time back when he was allowed to contribute content. His permission to do so had since been rescinded, but his account remained active. He seems to have shared the credentials with Nagant, to post the offending material last night.

This group has been responsible for constant spam and harassment of me and my communications channels for months, ever since I distanced myself from the group in the wake of the Pittsburgh synagogue shooting.

I am interested in pursuing criminal charges if at all possible.
